ALL PHASE COMMUNICATIONS RECEIVES UNIFIED COMMUNICATION INDUSTRY'S TOP AWARD

*Technology Assurance Group
Recognizes All Phase Communications
as the Elite Provider at STAR CON*

SEATTLE, WA — December 3, 2013 — All Phase Communications, a leading unified communications provider, announced today that the company received one of Technology Assurance Group's top awards at the association's STAR CON event held in San Diego in October. Technology Assurance Group (TAG), an international organization of independently owned unified communications companies in the United States and Canada, selected All Phase Communications as the winner of the "Performance Excellence Award" for exceptional economic performance and superior customer satisfaction. All Phase Communications was highlighted as a premier provider during a prestigious awards ceremony attended by TAG's Member companies and leading technology manufacturers.

The highly sought after awards, which are given out annually, are based on overall financial performance, customer satisfaction, and the ability to provide customers with cost effective unified communication solutions. "In 2012, All Phase Communications experienced phenomenal growth

that propelled them past the best companies in the industry," said Brian Suerth, EVP/Partner of Technology Assurance Group. "All Phase Communications' philosophy of providing technology solutions that increase their customers' profitability, improve employee productivity, and enhance brand image fueled the company's overall success. In addition to offering solutions with the purpose of accomplishing their customers' business objectives, they maintain a highly talented team of professionals that deliver world class service. All Phase Communications is an exceptional Member that is dedicated to acquiring best business practices that continually improve their organization. It was our privilege to showcase such a fine company at our annual event."

Rick Giddens, President of All Phase Communications, accepted the award for the company. "We have built a great company with a solid reputation in our community over the years and it was a wonderful feeling to be recognized by TAG. All Phase Communications' customer centric focus, as well as our ability to stay on the pulse of technology, have enabled us to become our customers' trusted advisor. We attribute much of our success to the

many benefits that we receive from our Membership in TAG. The organization enables us to quickly adopt new ways of doing business for the betterment of our customers and our people."

ABOUT ALL PHASE COMMUNICATIONS

Founded in 1986, All Phase Communications is a customer-service oriented telecommunications company with more than 25 years experience in the industry. All Phase is a preferred installation provider with leading VoIP (Voice over Internet Protocol) technology partners including ShoreTel and Toshiba. As the name suggests, All Phase handles all phases of VoIP installation including network assessment, system design, project management, system implementation, system deployment and training, and system maintenance. Based in Shoreline, Washington, small, medium and large companies including City of Bellingham, Glacier Fish, Cutter & Buck, Cascade Valley Hospital and Clinics, Ben Bridge Jewelers have relied on All Phase for their VoIP expertise to gain a competitive advantage in the marketplace by reducing operating costs,

streamlining customer service, and improving productivity.
